In the Air Tonight

Phil Collins

Capo 1st Fret

Chorus:

C#m B A B
I can feel it coming in the air tonight, oh Lord
C#m B A B
I've been waiting for this moment , for all my life, oh Lord
C#m B A B
Can you feel it coming in the air tonight, oh Lord
C#m
Oh Lord

Verse 1:

C#m B
Well when you told me you were drowning, I would not lend a hand
A B
I've seen your face before my friend, but I don't know if you know who I am
C#m B
But I was there and I saw what you did, saw it with my own two eyes
A
So you can wipe off that grin, I know where you've been
B
It's all been a pack of lies

Verse 2:

C#m B
Well I remember, I remember don't worry, how could I ever forget
A B
It's the first time, and the last time we ever met
C#m B
But I know the reason why you keep this silence up, no you don't fool me
A B
For the hurt doesn't show, but the pain still grows, some stranger to you and me
