

## Blowing In The Wind

Bob Dylan

### Verse 1:

**C**            **F**            **G**            **C**            **F**            **C**  
How many roads must a man walk down before you call him a man?  
**C**            **F**            **G**            **C**            **F**            **G**  
How many seas must a white dove sail before she sleeps in the sand?  
**C**            **F**            **G**            **C**            **F**            **C**  
How many times must the cannon balls fly before they are forever banned?  
**F**            **G**            **C**            **F**  
The answer my friend, is blowin' in the wind.  
**F**            **G**            **C**  
the answer is blowin' in the wind.

### Verse 2:

**C**            **F**            **G**            **C**            **F**            **C**  
How many years can a mountain exist before it's washed to the sea?  
**C**            **F**            **G**            **C**            **F**            **G**  
How many years can some people exist before they're allowed to be free?  
**C**            **F**            **G**            **C**            **F**            **C**  
How many times can a man turn his head and pretend that he just doesn't see?  
**F**            **G**            **C**            **F**  
The answer my friend, is blowin' in the wind.  
**F**            **G**            **C**  
the answer is blowin' in the wind.

### Verse 3:

**C**            **F**            **G**            **C**            **F**            **C**  
How many times must a man look up before he can see the sky?  
**C**            **F**            **G**            **C**            **F**            **G**  
How many ears must one man have before he can hear people cry?  
**C**            **F**            **G**            **C**            **F**            **C**  
How many deaths will it take till he knows that too many people have died?  
**F**            **G**            **C**            **F**  
The answer my friend, is blowin' in the wind.  
**F**            **G**            **C**  
the answer is blowin' in the wind.
