Verse 1:
```
     G              Cadd9
If you take my heart, don't leave the smallest part
    D/F#        Cadd9            G
I've no need to live if you're to come up gone
          G                        Cadd9
And as my life turns to a song, and if and when I treat you wrong
    D/F#        Cadd9      G
No I never want to hurt our family
           G                     Cadd9
And I would give up everything, no this is not just about me
          D/F#          Cadd9        G
And I don't know a plainer way to say it Babe
             G                        Cadd9
And they may pay us all in fame, though that is not why we came
          D/F#         Cadd9             G
And I know well and good that won't heal our hearts
```

Chorus:
```
        Cadd9                     G
We came for salvation, we came for family
           D/F#            Cadd9          G
We came for all that's good that's how we'll walk away
        Cadd9                        G
We came to break the bad, we came to cheer the sad
             D/F#         Cadd9        G
We came to leave behind the world a better way
```

Verse 2:
```
          G                       Cadd9
Now if I'm walkin' through the rain, and I hear you call my name
     D/F#        Cadd9         G
I will break into a run without a pause
            G                              Cadd9
And if your love laughs at your dreams, well it's not as bad as it seems
     D/F#        Cadd9          G
Either way one of them has got to go
         G                        Cadd9
And if you take of my soul, you can still leave it whole
           D/F#        Cadd9             G
With the pieces of you own you leave behind
```

Verse 3:

```
        G                               Cadd9
And I would give up everything, and if you were to come up clean
            D/F#        Cadd9          G
And see you shine so bright in a world of woe
        G                               Cadd9
And they may pay us all in fame, but that is not why we came
            D/F#        Cadd9           G
And if it compromises truth then we will go
```
