Verse 1:

Ain't no sunshine when she's gone.
It's not warm when she's away.
Ain't no sunshine when she's gone, and she's always gone too long,
Anytime she goes away.
Wonder this time where she's gone,
Wonder if she's gone to stay
Ain't no sunshine when she's gone, and this house just ain't no home,
Anytime she goes away.

Interlude: (no chords)

And I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know, I know
Hey, I ought to leave the young thing alone

Verse 2:

But ain't no sunshine when she's gone
But ain't no sunshine when she's gone
only darkness everyday.
Ain't no sunshine when she's gone, and this house just ain't no home
Anytime she goes away.
