**G**                    **F/C**                            **C**  
Singing songs about the Southland

**G**            **F/C**                    **C**  
I miss Alabamy once again, and I think it's a sin

In Birmingham they love the governor

**G**                    **F/C**                            **C**  
Now we all did what we could do

**G**                    **F/C**                            **C**  
Now Watergate does not bother me

**G**                    **F/C**                            **C**  
Does your conscience bother you, tell the truth

**Verse 4:**

**G**                    **F/C**                    **C**  
Now Muscle Shoals has got the Swampers

**G**                                    **F/C**                    **C**  
And they've been known to pick a song or two

**G**                    **F/C**                    **C**  
Lord they get me off so much

They pick me up when I'm feeling blue, now how about you?
