**Verse 1:**

**G<sup>2</sup>**                      **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 What fortunes lies beyond the stars  
                                  **Em7<sup>2</sup>**                                      **G<sup>2</sup>**  
 Those dazzling heights too vast to climb  
                          **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 I got so high to fall so far  
                          **Em7<sup>2</sup>**  
 But I found heaven as love swept low

**Chorus:**

**G<sup>2</sup>**                      **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 My heart beating, my soul breathing  
                          **Em7<sup>2</sup>**                                      **G<sup>2</sup>**  
 I found my life when I laid it down  
                          **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 Upward falling, spirit soaring  
                          **D/F#<sup>2</sup>**    **G<sup>2</sup>**  
 I touch the sky when my knees hit the ground

**Bridge:**

**G<sup>2</sup>**    **Cadd9<sup>2</sup>**  
 Find me here at Your feet again  
                  **D/F#<sup>2</sup>**    **Em7<sup>2</sup>**  
 Everything I am, reaching out, I surrender  
**G<sup>2</sup>**    **Cadd9<sup>2</sup>**  
 Come sweep me up in Your love again  
                  **D/F#<sup>2</sup>**  
 And my soul will dance  
                  **Em7<sup>2</sup>**  
 On the wings of forever

**Verse 2:**

**G<sup>2</sup>**                      **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 What treasure waits within Your scars  
                          **Em7<sup>2</sup>**                                      **G<sup>2</sup>**  
 This gift of freedom gold can't buy  
                          **Cadd9<sup>2</sup>**                      **G<sup>2</sup>**  
 I bought the world and sold my heart  
                          **Em7<sup>2</sup>**                                      **G<sup>2</sup>**  
 You traded heaven to have me again
