

Unchained Melody
The Righteous Brothers

Inverse Picking Pattern

Verse 1:

E² **C#m²** **A2²** **Bsus²** **E²**
Oh, my love, my darling, I've hungered for your touch
C#m² **Bsus⁴**
A long, lonely time
E² **C#m²** **A2²** **Bsus²** **E²**
And time goes by so slowly and time can do so much
C#m² **Bsus⁴**
Are you still mine
E² **Bsus²** **C#m²** **G#m²**
I need your love, I need your love
A2² **Bsus²** **E²**
God speed your love to me

Chorus:

A2¹ **Bsus¹** **A2¹** **Bsus¹**
Lonely rivers flow to the sea, to the sea
A2¹ **Bsus¹** **E²**
To the open arms of the sea
A2¹ **Bsus¹** **A2¹** **Bsus¹**
Lonely rivers sigh, wait for me, wait for me
A2¹ **Bsus¹** **E²**
I'll be coming home, wait for me
