Verse 1:
G1             D/F#1       Em72        Cadd91       G1
I'm trying to hold my breath,   let it stay this way
D/F#2
Can't let this moment end
G1                       D/F#1       Em72             Cadd91   G1
You set off a dream with me,    getting louder now
D/F#2
Can you hear it echoing
Em72               Cadd92                                     G2
Take my hand,    Will you share this with me
D/F#2
'Cause darling without you

Chorus:
G2
All the shine of a thousand spotlights
D/F#2
All the stars we steal from the night-sky
Am71            Em71       Cadd92
Will never be enough, never be enough
G2
Towers of gold are still too little
D/F#2
These hands could hold the world but it'll
Am71    Em71    Cadd93
Never be enough, never be enough, for me
G2    D/F#2
Never, never,    never, never
Em72    Cadd92
Never, for me, for me
G2    D/F#2
Never enough, never enough
Em72        Cadd94
Never enough, for me, for me
